BRASS FITTINGS

■ Suitable for

- With our one touch fittings for the hydraulic tube, it is possible to connect, disconnect and repair tubes quickly, more conveniently and safely.
- Since we have various sizes and functions the fittings can be applied to all tubes with wide scope of application.
- Our oval collets are specifically designed to conveniently remove tubes, but still provide a strong connection.
- The body was manufactured to have a hexagonal on the middle section to make more tightening as it can.
- Color : Body - Brass and Cr-plated
Collets - White
